Touring Coach™

Era

SNEAK PEEK

The Freedom to Go

The original luxury Touring Coach holds a Mercedes-Benz® diesel engine designed with the power and torque you need for your next great adventure. Continuous track lighting, new cabinetry, and a fresh galley design make for a pleasant cooking and dining experience. Three distinct floorplans offer three unique sleeping arrangements, from the Murphy+ Bed in the 70M, to the rear sofa/bed in the 70X, and to the versatile Flex Bed System in the 70A. Of course, a powerful air conditioning system comes standard, but for those days when you just want a cool breeze, the large rear double doors with a sliding screen door (70A, 70X) can't be beat. Welcome the era of freedom and mobility: the Winnebago® Era.®

RECOGNIZED QUALITY

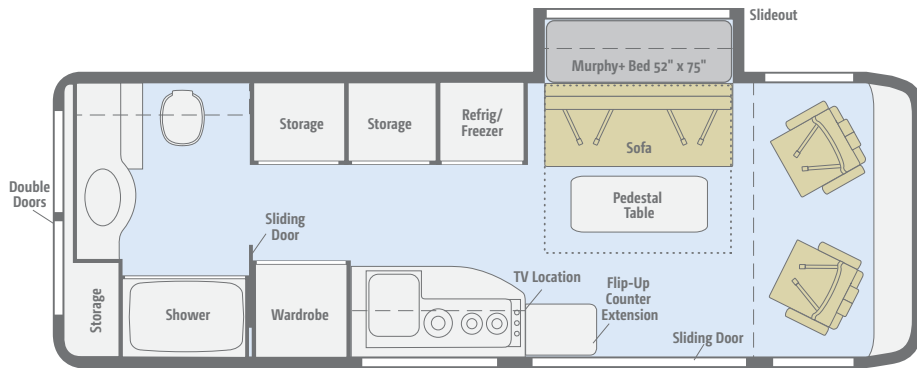

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.) Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
