

# AVANTI

INTRODUCING THE INDUSTRY'S MOST FUEL-EFFICIENT, CLEAN DIESEL CLASS-A MOTORHOME!

Avanti's European-inspired, aerodynamic design gives it an automotive feel behind the wheel.

Initial independent testing showed Avanti is 70% more fuel efficient than any other Class-A diesel.\*

This is a highly-livable coach with gorgeous, yacht-like styling. Notice unique drop-down bed system.

Avanti is contemporary thanks to curved cabinetry, elegant fabrics and SMEV (Italian) appliances.

\* Results may vary.

DAMON

# THE MOST DRIVABLE CLASS-A MOTORHOME. THE MOST LIVEABLE FLOORPLAN.

## 3106 AVANTI

©2008 Damon Motor Coach Printed in USA 9/08

Even the bedroom conveys warmth and contemporary styling. European-inspired throughout!

Full-basement storage along with other unique compartments keep Avanti functional as well.

200-hp Maxx Force diesel sits on a 16,000 lb. GVWR purpose-built Workhorse W16D chassis.

Specifications, components, parts and standard/optional equipment are subject to change without notice or obligation. Product photography may show equipment that is optional. Damon Motor Coach reserves the right to make changes in prices and models and to discontinue models without notice or obligation. Components, parts or chassis may have been manufactured at times other than the model year indicated. All capacities are approximate and dimensions are nominal. All dry weights are based on standard model features and do not include optional features or equipment. Due to EPA environmental restrictions, engine power and torque ratings may change.
