On the cover: 38Q Black Walnut Full-Body Paint

38Q Silver Birch with Coffee-Glazed Vienna Maple Cabinetry

The Class A Motorhome You've Always Wanted

Diesel-pusher style and luxury without the diesel-pusher price—that is the promise of the Winnebago Adventurer.® Choose from four floorplans, including the new triple-slideout 38Q with multiple HDTVs and a front lounge with sectional sofa. As our flagship Class A gas coach, you can expect deluxe, user-friendly features around every corner, such as Ultraleather™ furniture, MCD solar/blackout roller shades, and LED lighting that saves energy while you travel. Standard full-body paint, a redesigned front cap, and an optional upgrade to dual-pane Contour windows deliver a striking look. Make the most of your Class A lifestyle in the Winnebago Adventurer.

Recognized Quality The RV Dealers Association bestows its annual Quality Circle Award based on dealer ratings to the manufacturers that provide exceptional products, service and support. Only one manufacturer has received this honor for seventeen consecutive years: Winnebago Industries.®

Best in Class

See how Winnebago Industries takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

The **OnePlace® Systems Center** lets you monitor and control key systems from one convenient location.

Choose a set of two plush **Ottomans** for extra storage and seating or to rest your legs while relaxing on your sofa (38Q).

Adjust your preferred light and privacy settings with the smooth-operating **MCD Solar/Blackout Roller Shades.**

With a simple switch you can quickly convert your **Rest Easy® Sofa** into a comfortable, contoured bed.

Full-Extension Drawer Slides make it easy to open drawers wide and maximize their storage space.

The available **Infotainment Center with Rand McNally RV GPS** offers turn-by-turn voice guidance and more.

38Q Silver Birch with Coffee-Glazed Vienna Maple Cabinetry

From lively game nights to quiet evenings, the spacious front lounge is designed to accommodate almost any event with premium features including a Rest Easy® sofa, Ultraleather™ furniture, and a large HDTV with a Blu-Ray™ Home Theater Sound System. Our TrueAir® Maximum Comfort air conditioning system, with two cooling units and twin heat pumps, contributes to your total comfort no matter the temperature. The available Contour windows offer a more stylish appearance with even better wind noise reduction.

Euro Recliner

38Q Rest Easy Extendable Sectional Sofa

38Q Galley

Pantry with Pull-Out Shelves

With Corian® solid-surface countertops, extensive cabinet space, and a flip-up countertop extension that provides an abundance of workspace, this L-shaped galley offers perfect flow with plenty of room to create, cook, and share delicious meals. Select from a variety of stylish cabinet finishes for the look you prefer.

38Q French Door Residential Refrigerator

38Q Glide-Out Freezer Drawer

With options ranging from the comfortable U-shaped dinette (32H) and popular BenchMark® full comfort dinette with additional storage (35P), to the elegant dining table/buffet with a retractable 40" HDTV (37F), to the innovative Glide and Dine™ table that easily extends and glides to the left or right for maximum dining comfort and usability (38Q), the Adventurer serves up the dining experience you desire.

38Q Glide and Dine Dining Table Extended for Four

38Q Glide and Dine Dining Table for Two

38Q Bedroom

38Q Wardrobe

38Q Bathroom

The spacious master suite offers luxurious sleeping comfort in a king or queen bed (queen bed 32H). The Ideal Rest® Natural Reserve digital comfort control mattress includes a cotton and bamboo fiber cover panel and a duo-firmness reversible insert with Memory-Cell® (available on the 32H, 35P, and standard on the 37F, 38Q). Whether you're watching the large HDTV or reading a book, you can perfectly position yourself for maximum comfort on the powered incline bed with the simple touch of a button (37F, 38Q).

38Q Bedroom HDTV

Dash

Sit behind the wheel of the Adventurer and you will appreciate the superior comfort and control. Whether it's the sideview cameras, the Radio with a Rearview Monitor System, or the swivel Ultraleather™ cab seats, you'll confidently drive in comfort with peace of mind. Cab conveniences include 12-volt powerpoints, map lights, powered MCD solar/blackout shades, and a dash workstation.

Cab Seat

Dash Workstation

MCD Solar/Blackout Shades

You'll enjoy the same level of stylish comfort outside the Adventurer as you do inside. Easy setup is ensured with a powered patio awning, 3-position jack controls, and the all-in-one service center including the QuickPort® service connection hatch. An available exterior entertainment center includes a 32" HDTV mounted on an adjustable bracket for easy viewing and relaxing afternoon outdoor living.

Stylized Aluminum Wheels

Exterior Service Center

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Fiberglass Roof
The crowned, one-piece fiberglass roof is backed by a 10-year parts-and-labor roof skin warranty.

Laser-Cut Tubing
Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Thermo-Panel® Sidewalls By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

Interlocking Joints
Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

SUPER STRUCTURE®

BUILT TO LAST

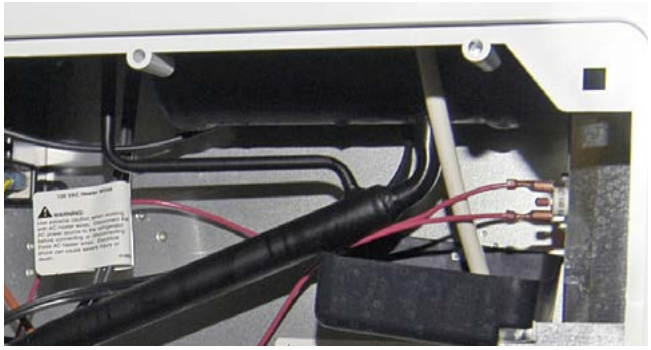
Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago Industries'® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago Industries, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago Industries maintains a clean fit and finish throughout so your coach will last for the long haul.



BUILT IN-HOUSE

We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE®

BUILT TO LAST

Visit **BetterBuiltRVs.com** to gain real insight into what goes into a Winnebago Industries motorhome.

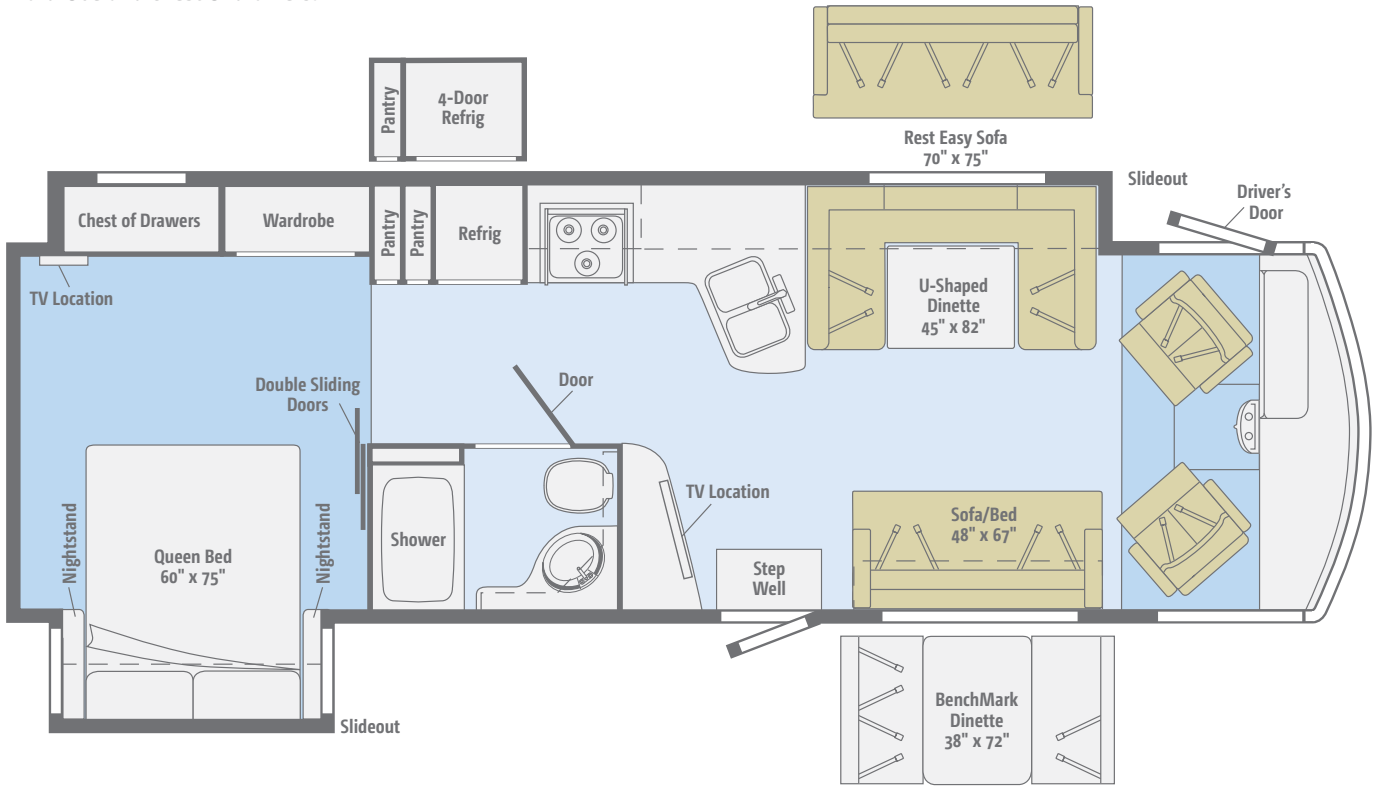
TAKE A TOUR

We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago Industries number one. We invite you to visit our complex in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motorhome we build.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at **GoWinnebago.com**.

32H

Highlights of this dual-slideout coach include an open-concept galley, a spacious mid-coach bath, a U-shaped dinette, sofa/bed, and a large wardrobe and chest of drawers.



Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at **GoWinnebago.com.**

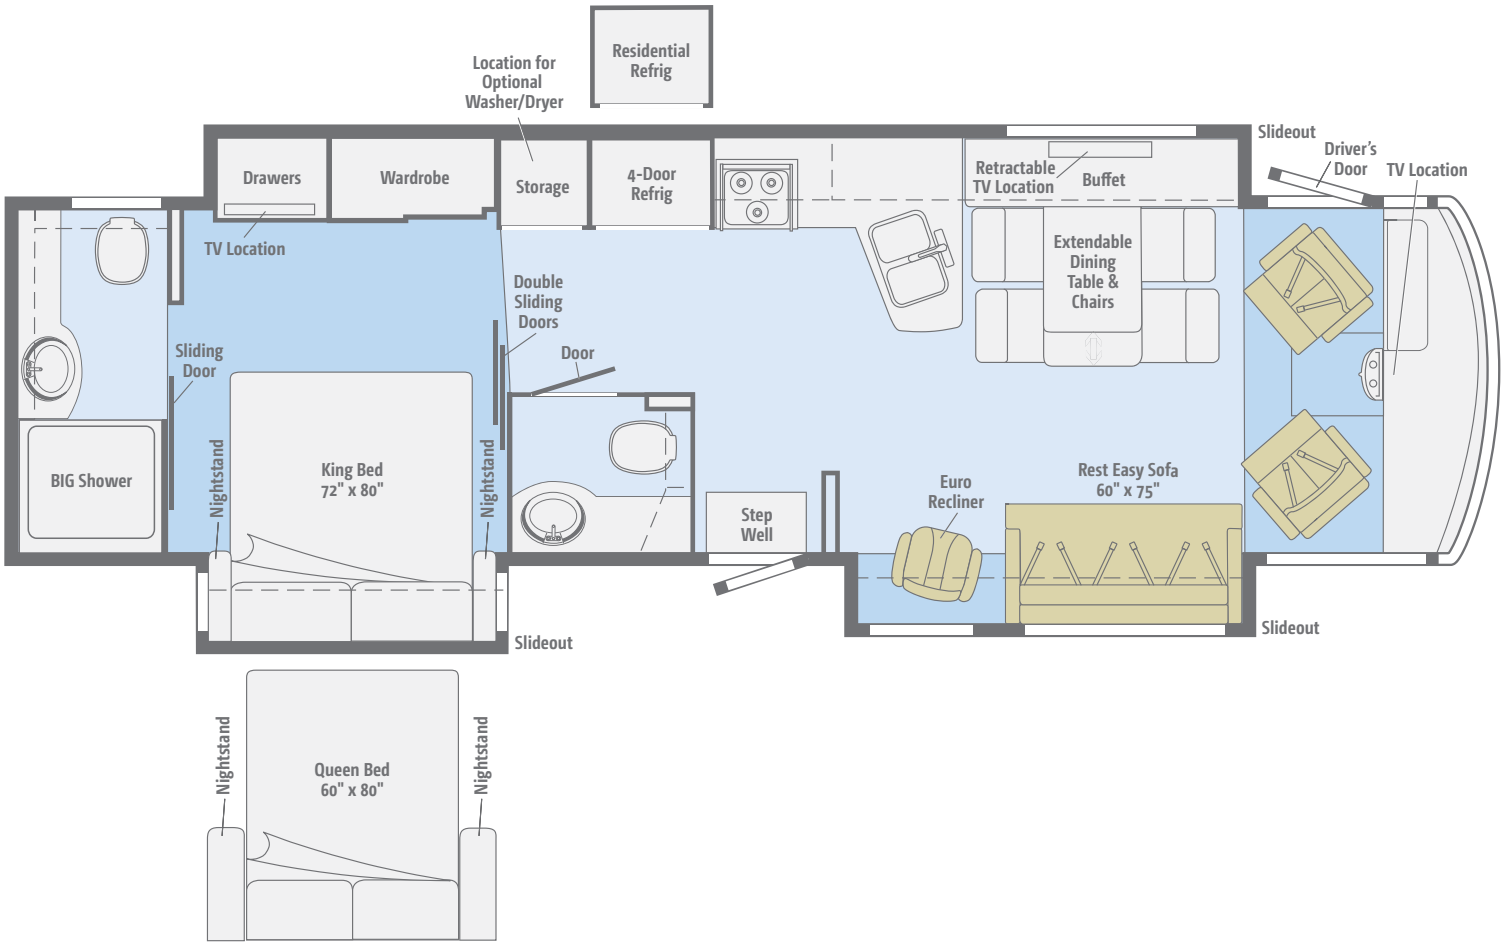
35P

With three slideouts—including a full-wall slide—this impressive floorplan features a BenchMark® dinette and master bedroom with a king bed, large wardrobe, and chest of drawers.

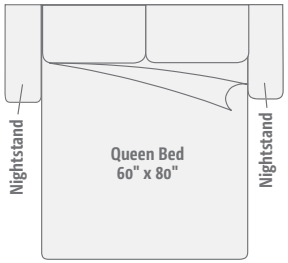
Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at **GoWinnebago.com.**

37F

This triple-slideout floorplan with a full-wall slide features a Rest Easy® sofa with a Euro recliner, a mid-coach guest bath, and a master bath featuring the BIG Shower.



Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at **GoWinnebago.com.**



NEW 38Q

Our newest triple-slideout floorplan welcomes you in the spacious lounge area with a Rest Easy extendable sectional sofa, a cross-aisle split bath, and your choice of a powered king or queen bed.

Warranty[7]

12-month/15,000-mile basic limited warranty[8]
36-month/36,000-mile limited warranty on structure[8]
10-year limited parts-and-labor warranty on roof skin[8]

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2 Floorplans feature a wide-body design – over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
6 Actual towing capacity is dependent on your particular loading and towing circumstances, which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
7 See separate chassis warranty.
8 See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago Industries'® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.

OUT OF THIS WORLD

2014 WIT CLUB GNR '69

Grand National Rally

In 1969, two things happened: Neil Armstrong took mankind's first steps on the moon, and Winnebago Industries' WIT Club launched its first Grand National Rally in Forest City, Iowa. Every year since then, thousands of rally-goers connect with old friends to enjoy concerts, tours, activities, and more. Blast off for an adventurous week in July to celebrate 45 years of interstate land roving at the 2014 "Out of This World" Grand National Rally. It's a mission you'll never forget!
